

# Infusion Patient Education Resources

## INFUSION THERAPY EDUCATION

Amber Specialty Pharmacy understands that managing a specialized health condition can be overwhelming and challenging. There is more involved than dispensing your medication. With this in mind, Amber Specialty Pharmacy has taken a comprehensive and committed approach to helping you and your caregiver manage all aspects of a complex, chronic condition.

If you are on infusion therapy, education empowers you and your caregivers to make informed decisions. You can focus on your overall health and well-being with the support of quality professional resources provided by Amber Specialty Pharmacy. Amber Specialty Pharmacy works with you to manage specialized conditions such as cancer, hemophilia, Crohn's disease, congestive heart failure, rheumatoid arthritis, multiple sclerosis and immunodeficiency. In addition to helping you manage these conditions, Amber Specialty Pharmacy also supports people on infusion therapy because of infections, dehydration, gastrointestinal and nutritional care needs and more. Regardless of why you are on infusion therapy, you can benefit from educational resources to better understand your health condition.

The Whole Health Program is exclusively designed to honor Amber Specialty Pharmacy's commitment to comprehensive patient care. This program provides educational resources for you and your caregivers as you manage complex health conditions and infusion therapy. This directory of educational resources, care communities and support organizations offers reliable information to encourage you and your caregivers throughout your infusion therapy.
