ADDING YOUR INSURANCE CARD IS SIMPLE!

JUST FOLLOW THESE STEPS:

1 Login to the mobile app.

2 Go to the "Account" page using the navigation bar at the bottom of the screen, then click "Basic Information."

3 Go down to the section that says "primary insurance" and press "camera" to start your phone's camera.

4 Take a picture of the front of your insurance card. Then, add an image of the back of the card.

If you have issues or don't use the mobile app, please send us an email at info@amberpharmacy.com with all of your information. We're happy to make the change.

Want to download the mobile app? Scan this code with your phone's camera to get started.
